## Career Goals

I'm seeking an **internship** opportunity in front-end development to expand my skills and become a full-stack developer. Eager to contribute to a dynamic team and gain practical experience in both front-end and back-end technologies.

## Projects

- An Online Shop with React: Developed an electronic commerce website with features such as product listings and a shopping cart.
  - Managed state using ReduxToolkit
  - Data fetching with React Query
  - Styled with Tailwind Css
  - Routing with React Router
- Portfolio Website: Created a personal portfolio website to showcase projects and skills. Utilized HTML, CSS, and JavaScript to create a responsive and interactive user experience.
